भारत सरकार पंजीकृत. Diploma In Handwriting Analysis

Description

What does your handwriting say about you? Can the mind of the writer be interpreted by examining the physical characteristics of their handwriting? Like a thumbprint, our handwriting is unique to us. It tells the story of who we are, our personality traits, and our state of mind as we formed the letters and words. Welcome to the world of handwriting analysis. An introductory course designed to be comprehensive in scope, the Introduction to Handwriting Analysis Diploma Course will guide you through the theoretical principles and practical techniques used in graphology.

Course Content

- The Fascination of Handwriting
- Handwriting is Like a Handshake
- About the Word Graphology
- Graphology is a Science
